

About the Pence

The Pence Gallery is an independent nonprofit art organization, incorporated in 1976, whose mission is to serve the community through offering high caliber art exhibits, supporting the development of artists, and providing educational programs to visitors of all ages.

The Pence is located in the heart of downtown Davis, California, and derives its name from its benefactors, Joe and Hazel Pence. The original building, once the site of Joe Pence's thriving dental practice, was gifted to the City of Davis by the couple to be used as a venue for the fine arts.

Today, the Pence offers classes and exhibits in an expanded building funded by the community.
