

Davis Figure Drawing Group

The Largest Independent Figure Drawing Group in the Central Valley!

Every Wednesday Starting in April of 2010!

Time: 6:30pm to 9:30pm

Place: The Pence Gallery, 212 D Street Davis, CA 95616

Cost: \$12 per person for the session

For dates prior to April 2010, visit our website!

This group is for both experienced artists and amateurs to have an opportunity to draw from the nude model. If you have never drawn from a live model before and would like to join us, you are very welcome! The atmosphere is relaxed and non-competitive. This is not a class, and no instruction is provided. People of all skill levels are welcome and encouraged to join the group.

Joining is free and it is easy to sign-up. Members are sent reminders of upcoming meetings and events related to the group. The Meetup group is an easy way to keep track of when we are meeting and if the session has been cancelled or moved to a different date. Members can also provide feedback on the site. How we run the sessions is determined by members and member's suggestions and preferences are always taken into account. If you do not wish to join the online group, you may also prepay in cash for the upcoming session at the front desk of The Pence.

The Pence would prefer that no wet media (oil, acrylic, watercolor) be used. They have been generous enough to let us meet in their gallery, so we would like to pay them the courtesy of leaving the space as we found it. For hours and directions you can call The Pence at: (530) 758-3370.
