GRANTS

The Pence Gallery had one grant project, titled *Make Stuff*, that was facilitated this year to strengthen ties to the community and offer additional opportunities for visitors to learn more about the arts.

The *Make Stuff* grant included three education workshops for children and adults that emphasized engaged learning, led by professional artists. We served 49 people, and an additional 22 through our new Touch tour for visually impaired adults. Through a generous donation from the Andresen Fund, we also completed expensive renovations in our classroom space, restrooms, and stairwell in order to improve our ability to offer diverse programs and maintain our facility.

FISCAL OVERVIEW OF REVENUE & EXPENSES

Sources of revenue and expenses are depicted in the charts below.

ATTENDANCE & PROGRAMS OFFERED

The Pence served 15,520 people onsite and offsite, through gallery visits, outreach festivals, and events. In our youth programs, we served 913 students, parents & teachers. We facilitated a diverse range of hands-on art workshops, talks, demonstrations, and more, for 474 adults.

Through our ambitious exhibit program, we offered 447 artists an opportunity to exhibit in solo and group exhibits. This year, we had 406 people renew their membership to the Pence.

Thank you to our members, sponsors, businesses and foundations that have provided support for the Pence Gallery over the past year. We appreciate your help in allowing us to serve the community through the arts!
