

New Family Art Workshops for Winter 2024

Art in Action engages kids in art projects that are fun, creative, and collaborative with their family members. This is a drop-in program, for ages 5-12, with no registration in advance required!

Recycled Miniature Masterpieces | January 7th

Turn recyclables into miniature works of art! Use your imagination and a variety of recyclable materials, including egg cartons, corks, bottles, fabric, and more to build your own unique sculptural creations.

Fanciful Fairy Houses | February 25th

Fashion your own fairy home! Create a magical fairy hideaway using a variety of decorative and natural materials, including tree trunk slices, moss, acorns, pinecones, wooden mushrooms, flowers, and more.

Putah Creek Fauna "Sketch or Sculpt" | March 24th

Discover the animals of Putah Creek! Explore and examine a variety of taxidermy specimens, pelts, and replica skulls—including beavers, raccoons, owls. Create detailed illustrations and clay sculptures highlighting the unique appearance, form, and structure of each creature.

Putah Creek
Council

This program is part one of a special collaboration with Putah Creek Council. Stay tuned for an April program on Putah Creek flora.

How it works:

Pay at the door with cash or card. (Become a member starting at \$65/year and save!) A parent or adult caregiver is required to stay, but only has to pay for the project for themselves if they are also doing art.
