

## **New Family Art Workshops for Spring 2026**

**Fee: \$5 Members, \$10 Non-Members (per person, all materials included)**

Art in Action engages kids in art projects that are fun, creative, and collaborative with their family members. This is a drop-in program, for ages 5-12. No advance registration is required, but space and supplies are limited and available to the first 25 participants on a first come, first served basis.

### **Woven Fairy House Wall Hangings | Sunday, April 19th, 1-3 PM**

Our fairy houses are back—with a twist! Learn how to make a simple loom with sticks and twine, and weave flowers, leaves, and other natural materials to create your very own wall hanging. Decorate your woven art piece with moss, dried fabric butterflies, beads, and more to create the perfect fairy hideaway.

### **Spectacular Seed Bombs | Saturday, May 30th, 1-3 PM**

Learn about the ancient Japanese practice of seed bombs! Using air-dry clay and native wildflower seeds, make seed bombs that you can later plant outdoors or in a garden. Decorate your seed bombs with dried petals and stamps, and design and illustrate a plant care card to help you take care of the wildflowers you plant.

### **Creative Sun Print Collages | Sunday, June 7th, 1-3 PM**

Create beautiful blue sun prints of plants and flowers! Using special blue photo paper, the sun's rays, and some water, create amazing prints (known as cyanotypes) of leaves, flower petals, and more. Transform these prints into one-of-a-kind collages through cutting, layering, and adding natural materials and other found objects.

#### **How it works:**

Pay at the door with cash or card. (Become a member starting at \$65/year and save!) A parent or adult caregiver is required to stay, but only has to pay for the project for themselves if they are also making art.

**This unique monthly program is generously sponsored and made possible by Mary Stephens DeWall and Les DeWall.**
