

Urban Sketching Materials List

- Waterproof pen in black or dark brown (Pigma Micron, Uni-ball Signo, Staedtler for example)
- Pencil (any, but HB best; H2 good for light outlines)
- Watercolor paints (small set is fine, I use Winsor and Newton Cotman)
- Medium/Small Waterbrush (or normal paintbrush with container of water)
- Sketchbook of watercolor paper (I use 5x8" size, bigger is fine; I use Hahnemuhle, Moleskine is good, Stillman & Birn good, Strathmore also good; 200gsm preferred; hardback is better for sketching outside but if people have loose paper they can use a clipboard)
- (Optional) small stool to sit on when outside
- (Optional) white gel pen for highlights
