

New Family Art Workshops for Fall 2026

Fee: \$5 Members, \$10 Non-Members (per person, all materials included)

Art in Action engages kids in art projects that are fun, creative, and collaborative with their family members. This is a drop-in program, for ages 5-12. No advance registration is required, but space and supplies are limited and available to the first 25 participants on a first come, first served basis.

Lovely Landscapes | Sunday, October 25, 1-3 PM

Create the landscape of your dreams! Inspired by Danilo Campos' exhibit, draw and paint your own landscape on canvas & craft a decorative frame for your painting with cardstock, gold paint, & ribbon.

Wonderful Wire Tree Sculptures | Sunday, November 8, 1-3 PM

Transform wire and other materials into a beautiful tree! Drawing inspiration from Danilo Campos' landscapes of our region, fashion a wire tree sculpture that is mounted on rocks and wood using wire, beads, paper, felt, and fringe.

Terrific Tiny Treasures | Sunday, December 6, 1-3 PM

Sculpt your favorite animal out of clay - in miniature! Based on all of the small-scale works of art in the Tiny Show, fashion a tiny animal treasure using sculpting tools and a variety of colorful polymer clay.

How it works:

Pay at the door with cash or card. (Become a member starting at \$70/year and save!) A parent or adult caregiver is required to stay, but only has to pay for the project for themselves if they are also making art.

This unique monthly program is generously sponsored and made possible by Mary Stephens DeWall and Les DeWall.
